

SHAIKH MOHD OVAIS

SOFTWARE DEVELOPER

Mumbai | +91 8976356536 | sovais333@gmail.com | [LinkedIn](#) | [Portfolio Website](#)

SUMMARY

- Software Developer with full-stack experience in building high-quality applications for major banks like HDFC Bank, Yes Bank, Kotak Mahindra Bank, and more.
- Strong analytical abilities and a collaborative mindset focused on delivering optimized, scalable code.
- Highly adaptable developer with a proven ability to swiftly learn and implement new technologies to drive project success.

TECHNICAL SKILLS

Frontend

- Angular
- React
- TypeScript

Backend

- Node.js
- Express.js
- JavaScript

Database

- SQL
- Oracle SQL
- MongoDB

PROFESSIONAL EXPERIENCE

Winsoft Technologies India Pvt Ltd, Mumbai

Jan 2023 - Nov 2024

- Developed and deployed a Locker Management System for Kotak Mahindra Bank using Angular for the frontend and Oracle SQL for the database, significantly reducing locker allocation time across 1,800+ branches nationwide.
- Automated the digital onboarding process of insurance distributors for Yes Bank using React for the frontend and Node.js for the backend, reducing processing time by 70% while ensuring 100% IRDA compliance.
- Developed an agent tracking system for HDFC Bank using SQL Server for database management, enabling monitoring of over 150,000 insurance sales agents and improving reporting accuracy.

PERSONAL PROJECTS

Movieteria
